

# PRESENTING IFBI'S BANK PO AND CLERICAL EXAM PREPARATION

Institute of Finance, Banking & Insurance

## About IFBI

Institute of Finance, Banking and Insurance (IFBI) was formed in 2006, as a joint venture of NIIT, leading Global Talent Development Corporation and Asia's largest IT trainer, and ICICI Bank, India's largest private sector bank, to meet the manpower challenges of multi-skilled and trained professionals in the fast evolving BFSI sector.

IFBI has quickly risen to become the Best Training School in the Banking, Finance and Insurance domain-a title conferred by Education Excellence Awards 2013 and The Week-Nielsen survey, May 2009. In its eight year journey, IFBI has trained over 1,25,000 BFSI professionals and helped place more than 32,500 students in the industry.

## About Bank PO and Clerical Exam Preparation

Intense preparation and practice is one of the sure shot ways of clearing the Common Written Examination (CWE). In addition, going through professional coaching from a reputed institute which offers specific courses will be a catalyst for success.

Recognising the need for a scientific and systematic approach required for preparation for these exams, IFBI Academy for Bank Exams offers specialised courses titled Bank PO and Clerical Exam Preparation. These courses would enable youth to realise their aspiration of joining leading Public Sector Banks by having access to superior coaching.

**SUCCESS COMES TO  
THOSE WHO PREPARE  
FOR IT.**

## Why IFBI for Bank Exam Training

- IFBI was empanelled as - Training provider by IBPS for imparting pre-exam training in FY 2012-2013
- Over 10,000 IBPS Exam aspirants have been trained by IFBI
- Over 8 years of being India's No.1 Banking Training Institute with presence in 40+ locations
- Training would be conducted by experienced bankers and experts

## Program Curriculum

The training curriculum covers the following subject areas, for which the candidates would be taking up the exam:

- **Reasoning Ability**
- **Quantitative Aptitude/Numerical Ability**
- **Test of English**
- **General Awareness with specific reference to Banking/Computer Awareness**
- **English Language/Verbal Ability**

This program will enable students to learn from experts who have the specialisation in the area. Skilling students with specific tips and tricks, shortcut methods and tools to perform better - is a key feature of this course. Not only do these courses prepare the candidates in core subjects for the test, but they also prepare aspirants on allied aspects - Group Discussions, Interviews and Personality Development.

The program curriculum is divided into the following sections:

- Reasoning Ability: This section includes questions to analyse how well one thinks and analyses. It includes analogies, verbal/non-verbal, coding, classification, series and logic
- Quantitative Aptitude/Numerical Ability: This section equips a candidate to successfully overcome challenges of mathematics by giving conceptual knowledge to solve questions
- General Awareness with specific reference to Banking/Computer Awareness: This section trains candidates on current events and on diverse topics like Economics, Finance, Banking, Politics, Social Sciences, Cultural Events etc, basic computer concepts, related terminology and knowledge on commonly used office productivity tools
- English Language/Verbal Ability: This section trains candidates on the English language and improves their ability to perform well in areas of functional grammar, reading comprehension and context-based vocabulary

While designing the course, Bank PO and Clerical Exam Preparation, IFBI has extensively used its expertise in content development. Drawing on its strong industry alliances for expert guidance to create a robust technology-enabled training methodology.

### **Additional Features of Classroom Training**

- Tips and tricks for speed and accuracy in the CWE
- GD-PI training for all candidates
- Additional preparation for interviews once the IBPS/CWE is cleared
- Basic computer knowledge, MS Windows, MS Office etc. is also covered

### **New Upgraded Online Exam Portal**

The students will also have access to the Online Exam Portal. It simulates the IBPS exam while preparing students for the final performance. The online exam portal has three types of tests:

- Practice Tests
- Practice Combo Tests (tests from two or more lessons)
- Practice content: Through exhaustive tests offered online on various topics/subjects like Numerical Ability, Reasoning, English
- Mock Exam Tests: Simulates the real online competitive exam. These 50+ full length tests help students to understand the pattern of the IBPS exam and practice

### **Other Features of the Online Module**

- **Time Counter:** Encourages student to complete the test within the allocated time, helps in increasing speed, accuracy and thinking ability. Feedback on each question - all the answers are provided with explanation to how a particular answer has been arrived
- **Online Diagnostic Tools:** To allow a candidate to check his performance status on regular basis through evaluation reports with graphs and analysis of student's performance

### **Unique Features of Online Exam Portal**

- Feedback on each question – answers are provided with the explanation
- Time counter in mock test – mimicking IBPS exam
- Review through Graphical Analysis to help student performance
- Expert speak live blog with updates and guidance from experts
- GK questions provided with pictures for answers to help in better retention of the information
- Show answer option at each question stage only (feature can be disabled for particular login based on the student requests)
- Navigation palette for the tests
