

POST GRADUATE DIPLOMA IN BANKING+ (PGDB+)

PROGRAM OBJECTIVE

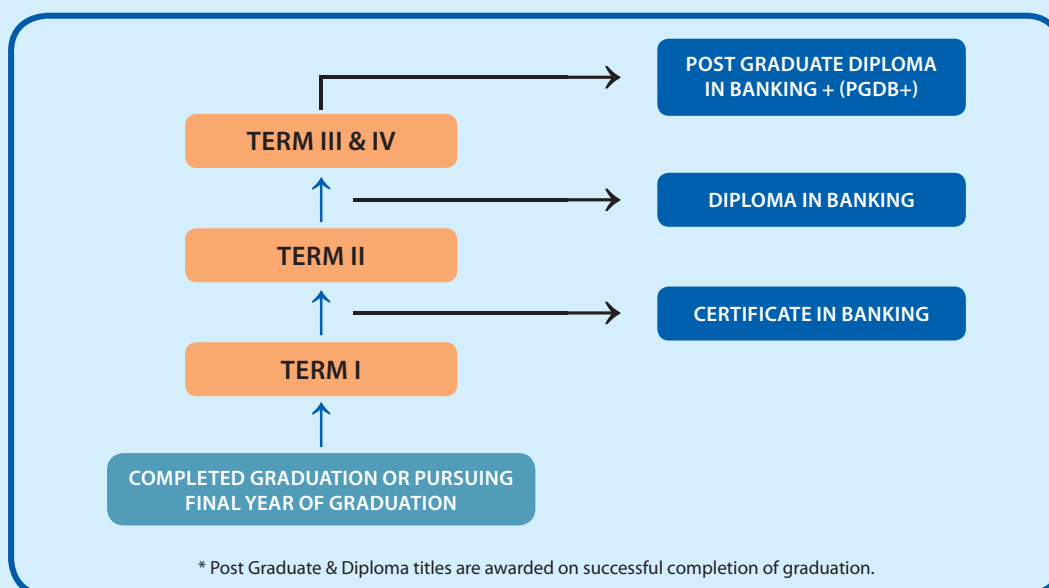

The focus of PGDB+ program is to craft proficient entry-level banking professionals who are trained on banking domain, business development and sales, application software (Finacle) and high customer centric skills. The PGDB+ program creates much sought-after first-day, first-hour, industry-ready banking professionals for the banking sector. The program is offered with 100% placement assistance with partner organizations in the BFSI sector.

ABOUT THE PROGRAM

The Post Graduate Diploma in Banking+ is a four term program which enables the student to broad base his or her career options in the banking industry. Besides covering important foundation and core banking modules, the program offers a student, adequate inputs in managing customer relationships, business development and sales, skills in business communication and domain specific certifications for developing insight in current financial markets.

As part of the program, the candidate is also equipped to appear for IBPS-CWE, to tap opportunities with public sector banks; get qualified for NISM-series-V-A: Mutual Fund Distributors' Certification Examination and NSDL's Certification in Depository Operations (NCDO).

PROGRAM ARCHITECTURE

The program has been upgraded recently by adding new modules, which are delivered at select IFBI centres through 'Synchronous Learning Technology (SLT)' or face to face teaching.

PSU Bank Exam Preparation Modules: More than 1,00,000 lakh PSU bank vacancies are expected to be filled over the next three years. To aid PGDB+ in the preparation for IBPS CWE exams and SBI PO/Clerical exams, IFBI's exclusive Preparation for Clerical and Probationary Officer (PCPO) modules have been incorporated in the curriculum. This module equips the student with the necessary skills & techniques to qualify competitive exam with the help of comprehensive online testing, analytics and diagnostics.

NSDL Certification: National Securities Depository Limited (NSDL) the first and largest depository in India, has established a national infrastructure of international standards that handles most of the securities held and settled in dematerialized form in the Indian capital market. NSDL-Depository Operations Module helps the candidate to understand and assimilate the procedures to be followed in conducting various transactions in the NSDL depository system.

ELIGIBILITY FOR GRADUATES OR FINAL YEAR GRADUATES

- Age : <25 years
- $\geq 50\%$ in X, XII and Graduation
- No gaps in candidate education history in school and college education
- No correspondence Graduation

PROGRAM SCHEDULE

For Graduates: Classwork sessions at IFBI education centers will consist of 4-5 hours of classroom contact and 2-3 hours of supervised self-study per day. Supervised self-study takes place after the classwork. In addition to the formal classroom sessions, students may be required to participate in collaborative projects and assignments, e-learning and other reference work. To expedite the program, students may have to work on some local holidays.

For College Students: Classwork sessions at IFBI education centre will be divided into 2 parts – the first part happening along with college studies and second after completion of final year graduation exams.

PGDB+ consists of 6-8 hours of classroom contact per week during the classwork sessions held along with college. After completion of the college studies, the program will be 4-5 hours per day. The exact program schedule will be intimated by the respective IFBI centre.

SELECTION PROCESS

The admission to IFBI program is granted based on the performance in personal interview and the IFBI Common Entrance Test (or IFBI Aptitude Assessment Test).

PLACEMENT FACILITY

Placement assistance facility is extended to all students on successful completion of PGDB+ programs subject to meeting the academic and placement norms. All the students are guaranteed three interviews with BFSI organizations as a part of the process. In the last financial year (Apr 2012 - Mar 2013), 1300+ IFBI BankVantage program students were recruited by leading banks and financial services organizations. The top five recruiters of IFBI students were ICICI Bank, Axis Bank, Karur Vysya Bank, IndusInd Bank and City Union Bank. More than 90% of IFBI students were placed in these top five placement partners last year.

EVALUATION AND CERTIFICATION

The classroom learning is evaluated through evaluation instruments like online tests, quizzes, assignments and project-work. Tests during the classroom phase are administered through online learning and training system.
